SUBJECT: "NO CUT" STREETS 

DATE: October 18, 2017

Per Title 30, Clark County Code Section 30.32.110, the County has excavation restrictions on some roadways which have been paved or resurfaced. The excavation restrictions are for the 5-year period following completed construction on the roadways.

Attached is an updated list of street improvement projects which have been accepted within the last five (5) years, are under construction, or are soon to be under construction. Notifications were sent to utility companies and/or property owners of record prior to construction, unless otherwise noted.

If you have any questions, or to update contacts that need to receive updates of this "No Cut Streets" list, please call Kathleen Kingston at (702) 455-6043 or email at: Kingston@ClarkCountyNV.Gov. Thank you.
